The station wagon was the vehicle in which Mrs. Gwendolyn Smith, 28, of Bradley, mother of two, was riding when it was struck practically head-on by a car driven by David J. Anderson, 20, Chicago Heights, who is employed at Frankfort. Anderson and Mrs. Smith's husband, Harvey A., 28, are in Silver Cross hospital. The picture was taken in the Cooper and Show garage yard at Frankfort. (Graphic Newspapers photos)

Traffic Toll Shows Rise

Death and injury took a heavy toll in Will county over the Christmas holiday. The number of traffic fatalities in Will county for 1964 had reached the 63 mark by midnight Sunday night, a most disgraceful record, officials point out, and one of the worst in the state.

Authorities also remarked on the fact that several of the recent crashes were the result of apparently careless driving that brought on head-on collisions.

Wednesday night of last week Mrs. Gwendolyn J. Smith, 28, of Bradley, was killed, and her husband, Harvey A., 28, of the management science and data system division at Ammunition Procurement Supply Agency, is in Silver Cross hospital, Joliet. His condition is listed now as serious instead of critical. Also described as serious is the condition of the driver of the other car, David J. Anderson, 20, of 162 Kingston place, Chicago Heights, an employee of the S. and S. Sink Top Co. of Frankfort.

The accident occurred about 10:30 p.m. on U.S. 30, about 1 1/4 miles east of

U.S. 45. Anderson was east bound on U.S. 30. The Smiths were traveling west enroute to La Crosse, Wis., where Mr. Smith's parents reside, to spend Christmas. The Smiths two children, Michelle, 4, and Babbett, 1, escaped injury.

According to Coroner Willard G. Blood and State Trooper William Hecht the condition of the two drivers did not permit questioning them but from the signs at the scene of the accident Anderson was over in the west bound lane and Smith had pulled his car out onto the North shoulder in an effort to avoid the crash, they said.

Christmas gifts the Smiths were taking to Wisconsin were strewn along the highway. Mr. Smith was pinned in the wreckage of his car and despite the intense pain he was suffering he was holding the youngest child against his breast and sought to calm the fears of both with soothing talk, as Frankfort firemen and truck drivers worked to free him.

Mrs. Smith was taken to the Baskerville chapel and from there her body was taken to Onalaska, Wis.,

where her parents reside. Funeral services were conducted Monday afternoon from the Latter Day Saints church with burial at La-Crosse.

The Smith children were taken to Silver Cross with the father and kept there until they could be picked up by relatives.

About midnight Sunday night a young husband and wife, Stanley and Glenda Street, each 20 years old, of Bourbonnais, were killed when their car collided with an automobile driven by Philip Kotlowski, 17, of Hammond, Ind. The Streets were wearing seat belts, according to the accident report.

The accident occurred on the Wilmington - Peotone blacktop road about 1 1/2 miles west of Beecher. There were seven members of the Kotlowski family in one car and they were taken to St. James hospital, Beecher. The father, Philip, Sr., was reported in critical condition. The two cars met almost head on, it was said, and investigators believed the Street car was over in the wrong lane.

Include Work On I-80 In 1965 Road Program

Among the interstate highway programs listed in Illinois for 1965 that are given high priority is some work on I-80.

Paving is scheduled on the stretch between the Tri-State Tollway and the Will-Cook county line. There are 7.65 miles of highway to be paved in that section, it was said, altho it is not likely, observers believe, that the work could be done in 1965 since there has been no grading nor any other work done.

Village officials and financial institutions interested in drawing industry to the area are hopeful that the grading operation and the building of the road base can be done in 1965 for most of the 7.65 miles at least. Also in that stretch between the tollway and the Will county line eight structures are slated to be built. How long this will take will take some guessing, it was pointed out. Some think if the work is begun in 1965 it can be completed by 1967 but others are not so optimistic.

Plans for 1965 list 13 structures for I-80 between Joliet and the Will-Cook line. Work was begun on one of these, an interchange west of New Lenox on U.S. 30, this fall but was halted soon by weather conditions. I-80 is to cross Hickory creek and the Rock Island railroad and U.S. 30 at that point.

Four structures and 5.6 miles of paving for I-80 between Joliet and U.S. 66 are also scheduled for the coming year.

Also on the work schedule for 1965 are additional lanes of pavement for U.S. 52 between U.S. 66 and Larkin ave., west of Joliet to relieve a bottleneck.

Announcement of the state's proposed highway program was released this week in the name of Gov. Kerner. The proposed program would provide for right-of-way acquisition and construction projects costing an estimated \$253,443,000.

Of this amount, the governor said, \$163,000,000 is earmarked for work on interstate highways and \$89,543,000 for non-interstate roads. Right-of-way costs are expected to total about \$36,000,000 or one-seventh of the over-all program.

The governor went on to say that of the \$253,443,000 available for the 1965 program, state and local sources will provide \$72,232,000 and federal funds, \$181,211,000. Of the federal funds, \$147,500,000 must be used on interstate highways and \$31,711,000 on non-interstate roads.

The governor said the 1965 program provides for build-

ing interstate highways as rapidly as federal funds permit. The federal funds make up 90 per cent of the money spent on these inter-state roads. Eight lettings (of contracts) are scheduled for 1965, the first of which is set for Jan. 29.

Reviewing the 1964 highway construction program, the governor said that approximately \$275-million in contracts, including those for right-of-way, were a-

warded this year. He added that approximately 90 miles of new interstate highway was opened in the state this year and 80 miles of new non-interstate highways, plus 348 miles of bituminous concrete resurfacing, 196 miles of low type bituminous resurfacing, 95 miles of gravel or crushed stone surfacing, 27 miles of earth grading, 91 new bridges and 168 new grade separation structures.

Herbert E. Hemingway Dies; Rites Yesterday

Herbert E. Hemingway, 77 a resident of Mokena for the past 10 years, died Sunday, Dec. 27, at Silver Cross hospital, Joliet, after a brief illness.

Mr. Hemingway was the father of Mrs. Patricia Marcoux, Mokena, with whom he had been making his home, and Mrs. Rosemary Wheeler, of Lincoln Estates. He also is survived by two sons, Phillip E. Hemingway of Miami, Fla., and Martin O., of Los Angeles; nine grandchildren and one great-grandchild. His wife, Lillian, died in 1958.

Mr. Hemingway was supervisor of the Swift & Co.

branch house at Chicago at the time of his retirement. He had been with the company for approximately 35 years.

In his younger day Mr. Hemingway was one of the leading amateur bowlers in Chicago and was captain of the Flenners team when it won the ABC national championship in 1911.

Removal was to the Hirsch Memorial chapel at Tinley Park from where services were held Wednesday morning (Dec. 30) at 9:30 to St. Mary Catholic church, Mokena at 10:00 with the Rev. Cecil Koop, O.F.M., officiating. Interment was in the parish cemetery.

John Oster To Tell Lions Of Job Training Center

John Oster, former school head at New Lenox and now a field representative of the Lt. Joseph P. Kennedy school for Exceptional Children at McCarthy and Wolf roads, will be the speaker at the meeting of the Mokena Lions club next Thursday night (Jan. 7) at Arch Inn.

Also on the program will be Al Willis, basketball coach at Lincoln-Way high school whose charges have been doing an excellent job this season.

School Supt. James Ennis is program chairman.

Oster will tell of the work that is being done at St. Michael's Workshop, which is operated at the Kennedy school as a job training center for retarded young adults with considerable success.

Since the trainees learn by doing, the job center needs sub-contracted work and Oster's prime purpose now is to line up jobs for the center by acquainting the public with its objectives.

From the training received at the center many of the trainees have been placed in jobs in private plants and are doing well.

Records at the center, show that between 75 and 80

per cent of the retarded are capable of becoming useful citizens and can be self-sufficient rather than dependent upon the community.

The 13th annual Ladies Dinner is slated for Feb. 13. Joseph Bernardin is in charge of arrangements.

Lincoln-Way Basketeers Lose In Tourney, 46 To 45

BY NORM BEEBE

Monday night just wasn't Lincoln - Way's Night? The Knights basketball team, competing in the invitational holiday tournament at Joliet Central high school, lost to Prospect in a first round encounter Monday evening, 46 to 45.

Prospect had the edge in height but Lincoln - Way appeared to be off. The team has scored well all season but Monday night the points were dropping.

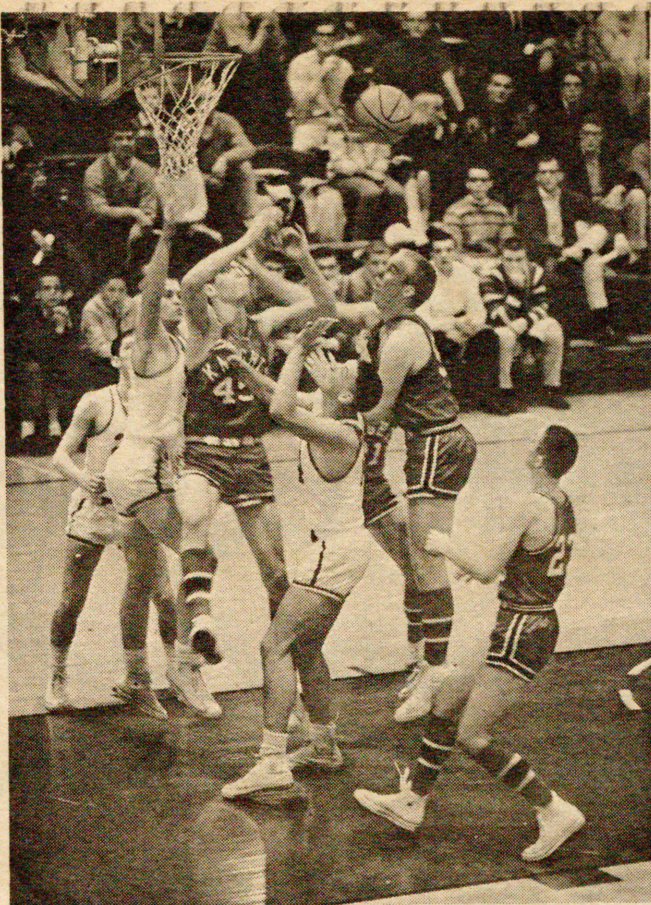

Lincoln - Way was leading at the end of the first period, 17 to 13 but by half-time the score was reversed with Prospect leading by four marks, 24 to 20.

Lincoln - Way never got out in front after that but

managed to hand in there so that a couple of points at the right time could have spelled victory.

Many of the Knights' shots rolled the rim to drop off or hit the rim to bounce off. Not enough of their shots went thru the net and that tells the story.

Rich Schroeder got possession of the ball in the closing split second of the game and aimed a shot at the hoop. The ball went thru and the Lincoln - Way partisans went crazy -- but for nothing. The final buzzer had sounded, it was ruled, just an instant before the ball left Schroeder's hands so the basket did not count and the game ended with Prospect the winner, 46-45.

EVERYONE wants the ball and competition is brisk. This was action under one of the baskets in the Lincoln-Way-Mt. Prospect game in the Joliet Central holiday tournament. No. 45 is L-W's Howie Grimes and the Knight at the right is Keith Schram. That looks like Rich Schroeder in the middle and Tom Hamilton is in the background. One can just see the "I" on his Jersey.

(Graphic Newspapers photo by Dennis Weiser)

OOPS! the ball got away. That No. 13 is T. Lundstedt, a center for Mt. Prospect and No. 20 is S. Kerr, a guard. That Prospector in the middle goes unidentified as does the Lincoln-Way player behind him, No. 45 for the Knights is Howard Grimes. Mt. Prospect won 46-45.

Do Well In College

How well do Lincoln-Way high school graduates do in college? Seeking an answer to this question, Lincoln-Way guidance department studied the records of 186 former graduates who have been attending 24 colleges during the 1961-1964 period.

Of over 4,460 semester hours of college work taken by the former L-W students, the work was awarded a passing grade. The average grade point was 2.47, or about a B minus. This is especially high, it was said, since most of the grades which were included were for the freshman year which usually is the lowest grade average year for a college student.

At Eastern Illinois university (Charleston), 25 former students were enrolled during the 1961-1964 period. They earned an average grade point of 2.64 and passed 99 per cent of their courses. Twenty-two L-W grads went to Illinois State university, at Normal, and earned a group average of 2.43, and passed 99.6 per cent of their classes. University of Illinois, Urbana, enrolled 23 students who earned a 2.76 average and passed 97.3 per cent of the courses they took during the 1961-1964 period.

These facts are representative of the excellent college - preparatory educational background Lincoln-Way graduates are getting, it was pointed out. Colleges in this study are both public and private and are located in all parts of the United States. A continued study of the progress of L-W students is done by the guidance department as a part of the educational service to the Lincoln-Way area.

In addition to Illinois state colleges and universities, schools included in the study were Beloit, Blackburn, Bradley, University of Denver, Olivet Nazarene, State University of Iowa, Mount Mary, Simpson, Knox, Elm-

hurst, Murray State, Lake Forest, (Ill.) Institute of Technology, Dartmouth, West Point, and MIT.

Give Awards To Prep Grid Stars At Dinner

More than 400 prep football All-Stars from the Chicago area were honored at an awards banquet Thursday, Dec. 17 in the Grand Ballroom of the Conrad Hilton hotel. The banquet was sponsored by the Coca-Cola Bottling Company of Chicago. The athletes were selected by the Chicago Tribune in recognition of their achievements during the 1964 football season.

Highpoints of the evening were a speech by Pete Elliott, head football coach of the University of Illinois, and the amusing anecdotes of Johnny Morris, pass-catching ace of the Chicago Bears who served as toastmaster. Albert Willis, head of the Illinois High School Association, also delivered his personal greetings to the players.

The athletes, who represented 19 all-conference squads, were accompanied by their coaches at the fete attended by a total of 550 people.

Included in the crowd were many representatives of collegiate and professional football, seated at the speaker's table.

The All-Stars were welcomed by Frank Spears, executive vice president of the Coca-Cola Bottling Co. of Chicago, and Wilfrid Smith, sports editor of the Tribune.

Each athlete received a 6-inch trophy from the Chicago bottling company and a certificate of merit from the newspaper.

Among the prominent sports figures in attendance were Bill Reed, com-

The U.S. Naval Sea Cadet Corps is seeking recruits, it was announced by Walter Niedringhaus, of Mokena. He is an ensign in the corps and those interested in becoming members are invited to call him at his home--the telephone number being

479-5944.

The corps is a voluntary youth organization under federal charter to provide young men with sea, air and other training as well as develop in them those qualities which make for good citizenship, Niedringhaus explained. The corps is for young men between the ages of 14 and 17, and there is also a branch for younger boys, from 12 to 14.

Membership is entirely voluntary, it was stressed, for officers and cadets. It was also stated that application for membership entails no responsibility or com-

mitment to become a member of the naval forces at some future date.

The program, a spokesman said, "has no other purpose than to provide an opportunity for American youth to learn the naval virtues of personal neatness, loyalty, obedience, courtesy, punctuality, dependability and a sense of responsibility and thoughtfulness of one's shipmates, developing character, self discipline and an appreciation of our American heritage."

The cadets are taken on maneuvers a few times a year, it was said to naval bases such as Norfolk, Va., Key West etc. and weekend excursions to Glenview Naval Air Station and Great Lakes training center.

The cadets in the area meet once a week at the Naval Reserve Training Center in Rockdale. The meeting night is Wednesday and the hours are from 7 to 9 o'clock. That is where and when boys may join the corps.

Lions To Pick Up Yule Trees

Clean-up day for discarded Christmas trees in Mokena has been set for Sunday, Jan. 10, it was announced by Jerry Nelson, chairman of the committee in charge.

He needs help for the undertaking, Nelson said, and is asking volunteers to call him to ascertain the time and place they are to report. The trees are picked up

and taken to Mokena Community park where they will be made into a huge bonfire, weather conditions permitting.

This service by the Lions club is an annual event and solves the problem for Mokena residents of what to do with their old Christmas trees. They burn with such fury that they can be safety hazard, it was pointed out.

Watch Those Tax Laws--

In the event you are interested in trying to save your earnings from the hands of the tax grabbers it would be well to remember that in another month the state legislature will be in session.

Whatever the general assembly may do you may be sure that numerous measures will be proposed that will leave you poorer if they become laws.

The Illinois legislature next year will be a sort of maverick affair with the lower house top heavy with city slickers, thanks to the idiotic situation which prevailed at election time. It is generally believed that 118 Democrats were elected to the lower house with 59 Republicans named to round out the membership of 177.

The lower house members were chosen at large in the state rather than by districts. Mayor Daley turned thumbs down on the reapportionment bill that passed the legislature because the Cook county suburbs would have gained a seat or two at the expense of Chicago so Gov. Kerner vetoed same. Attempts to arrive at a legal solution failed and so the at-large election took place.

It is to be hoped that before 1966 arrives re-districting will have been accomplished. It is not good to have legislators in office over which the voters have little or no control. For that reason the coming session could be a wild one. The senate could block bad legislation, of course, and in that category we would put some of the recently proposed sources of tax revenue, including a graduated income tax; a higher state gasoline tax (Congress also is considering boosting the federal tax on gasoline sales); authority for municipalities to levy gasoline taxes; a higher sales tax, and now that the federal government is dropping some of its nuisance taxes it has been suggested that the state adopt them.

Naturally the political bosses want more taxes because more taxes mean more money; more money means more patronage and the more payrollers they can maintain means more votes, which bring more power and power is what the boys want, whether they are in the front office or the back room.

One would think it would be very, very difficult for the boys to get support for measures which

would produce more tax laws but it really isn't. They work on and thru the aims, and goals and interests of various groups and organizations, the greatest of which are education and aid.

So the bosses hook up with the educators, the teachers, the builders, text book publishers and others interested in the schools and get their support of legislation to give the schools more money. And there are many, many people that can be lined up in behalf of the various aid programs, and the highway programs, and other agencies.

Anyone who comes out and says he thinks the schools are getting enough money is branded as a reprehensible reactionary and a foe of education and progress and as for opposition to any of the aid programs, --well, they've worked motherhood into that one so one is treading on dangerous ground there.

Owners of large real estate holdings are clamoring for relief from taxes and suggest--among other proposed remedies --a state income tax. This puzzles us no end but proponents of the income tax are getting a lot of drum beaters, including farm bureau members, and the unions to back their cause.

We talked to one property owner who was convinced that if a state income tax was collected there would be no real estate, no personal property taxes and no sales tax. He has been paying taxes but thru a savings and loan company thru which he is buying his house. He knows that part of the payment he makes each month is earmarked for taxes but has only a vague notion as to what agencies get it. He was quite surprised to find out that the state did not get any taxes on his real estate.

Apparently there are quite a number of persons laboring under the delusion that a state income tax would be a substitute for the real estate tax. Let's face it. A state income tax would be just an additional tax, just as the other "new sources of revenue" would be additional taxes.

Legislative bodies are quick enough to impose new taxes, given an opportunity or excuse, but they are loth to remove them.

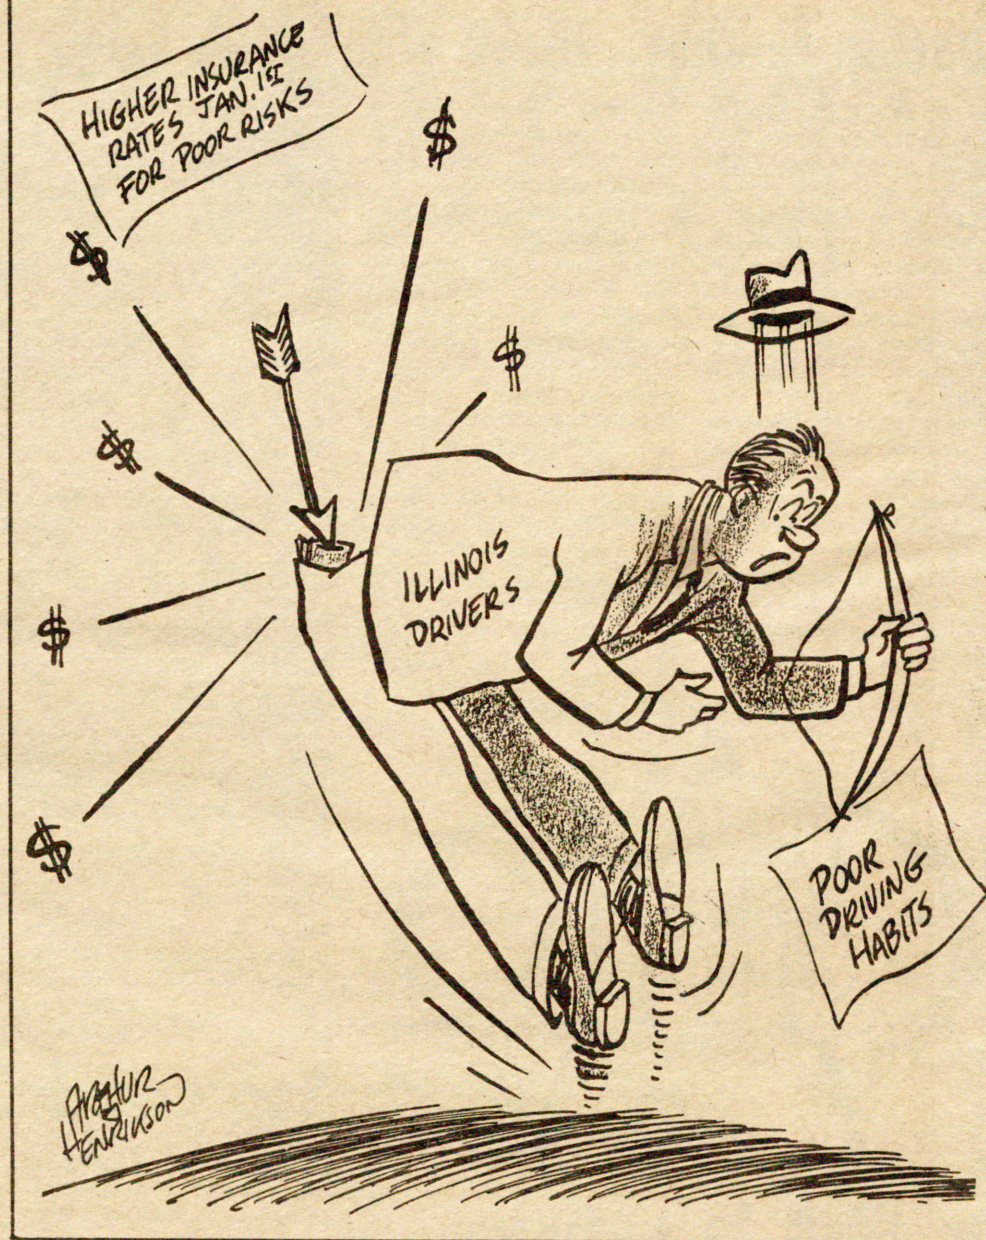

Let us hope that the more and larger taxes group does not prevail at the coming session of the general assembly.

Predictions for '65 - Leading business men attending the 12th annual business outlook program sponsored by the First National Bank of Chicago, predicted very good business in the first half of 1965 and good business the balance of the year altho the expansion rate may be slower than that of 1964.

Chishman, chairman of Sears, Roebuck, predicts that unless "some foreign situation drastically alters consumer psychology, the retailers of the nation should be able to add another 4 or 5 per cent in the first half of 1965, to the healthy gains already secured in 1964." He went on to state that "the only restraint on Christmas sales this year, are probably the physical impossibility of moving

THOT
By Glenn Logan

ARE YOU one with a sense of curiosity? If so does it take you into the past as well as the future? Do you wonder what has happened to things, or people, or institutions or even phrases? For instance, what has happened to Gentle Reader?

Perhaps we should approach it the other way. What has become of the leisurely author that referred to his customers as Gentle Reader?

Even some editors used the term in making some comment on the work of those with letters of complaint, altho it should be said that on such occasions the editors were just being facetious as your true griper is frequently mean and ornery with a very, very short fuse to his temper and far from gentle.

Apparently the tensions and tempo of present times have been too much for Gentle Reader and he has gone away. Far, far away, no doubt.

more people through the four walls of retail establishments than the dimensions will permit."

Retail executives pointed out that tax law changes may cause some retail slowing in April, but that it will be temporary.

He noted that the current withholding tax rates probably will be insufficient to meet income tax obligations in full and "some thousands of households will find it necessary to find additional amounts to meet the obligation."

George Russell, executive vice president of General Motors predicts a strong opening in 1965 with a likely total of 7,800,000 pas-

There are readers, or course, because they are still publishing books, magazines and newspapers, but they aren't Gentle Readers. Snappy, maybe, and fast, but not gentle.

The Gentle Reader was created in an era when things moved at a slower pace and there was more rapport between author and reader. Nowadays, what with the rush, rush, rush, radios, television sets, and group activities, an author is lucky if the readers remember his name or the name of his book. It seems to me that one solution would be for the publisher to print:

THIS BOOK WAS WRITTEN by JOHN DOE in capital letters in the space above where it says Chapter 1.

Then on the last page, just below the final sentence another notice could be printed:

You have just read the book, "Abracadabra" by John Doe.

This would also be a good spot for a disclaimer:

"Any resemblance between this book and the moving picture or television drama appearing under the same name and by the same author is purely coincidental."

Time is of the essence, as

senger cars in retail sales. The 1964 sales will likely total about 8,000,000 including about 475,000 imports.

Several days ago Henry Ford predicted sales of 8,700,000 in 1965 including about 475,000 imports. He put 1964 at 8,100,000 including 480,000 imports.

Steel production in first six months of 1965 is expected to be about 5 million tons higher than like 1964 period due to stock piling in anticipation of a strike in May or thereabouts. Inventory liquidation after strike fears pass, will likely slow production close to 10 million tons less than 1964's record of 127 million tons for full 1965.

they say in building contracts, and speed reading is being taught by mail as well as in schools and special classes.

It is getting to the point where it isn't what you read but how fast you can read it. The exponents of speed reading claim that those who romp thru a thick tome in a few hours retain more of the message the author hopes to convey than those who need a week or so to get thru it.

WE WILL NOT say that it couldn't be done but we are inclined to believe we are accumulating a lot of skimmers in the reading business.

If one wants to skim why not stick to book reviews or a synopsis.

Or why not use a computer? Maybe if one fed the title of a book to the machine, the number of pages, the number of chapters and the chapter headings. If there are no chapter headings then one could turn to the dust jacket and after describing the illustration on same, give the resume found on the inside flaps plus the laudatory comments of the reviewers, also to be found on the dust jacket.

The computer should then be able to come out with a couple of sentences that tell the whole story -- three sentences and you should have all the details.

If it is not that kind of a computer but one given to mathematics the story could be reduced to a formula, and the more complicated the better.

A person on his toes might be able to run thru the top ten non-fiction list and the top ten fiction list in this way in say 29 minutes 21 and seven tenths seconds and have the formula in one minute more.

It doesn't really matter whether you understand it because no one else will be able to understand it and he is not going to admit it.

Of course, you may wind up ignorant but there is always TV to fall back on.

BUSINESS & FINANCE

The investment patterns of the Mutual Funds are interesting to investment analysts. Most investment services follow the investment trends of the funds and a few analyze them closely.

Recently Portfolio Fact Finder stated that IBM stock is held in the amount of \$800 million by 84 of the biggest mutual funds as of the end of September. Share total was 1,877,296 of IBM.

Second in line of favorites was Standard Oil of New Jersey, with the same group of funds having stock of this firm with market value of \$640 million.

Third was General Motors held in 82 of the funds with value of \$615 million Sept. 30.

To complete the list of the first ten, the seventh was Texaco, \$568 million; National Steel, \$318 million; Ford Motor, \$304 million; Royal Dutch Petroleum, \$294 million; Gulf Oil, \$262 million; Xerox Corp, \$227 million, and Monsanto Chemical, \$225 million.

Mutual fund analysis shows that of the 10 stocks most widely held by the public, three are in the top 10 of the mutuals - they are: Standard of New Jersey, General Motors and Ford.

Chicago newspapers note that nine Chicago companies are listed in the top 125 stocks held. In order they are Sears, Roebuck & Co., Standard Oil of Indiana, Commonwealth Edison, Container Corp. of America, House-

SEVENTY-THOUSAND WHO
SHARED JOLIET FEDERALS
1964 DIVIDENDS OF--

\$4,250,810.62

This is the money that has been paid to Joliet Federal savers
as their 4 1/4% current annual dividend for 1964.

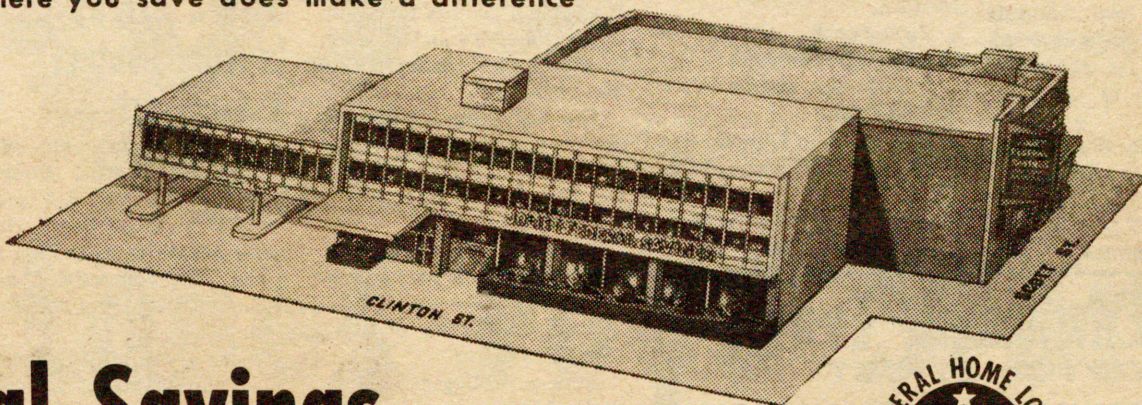

Here is visible proof that it pays to save! Proof that thrift
provides rewards! For many, these earnings will be most welcome
to help meet year-end expenses, taxes and obligations incurred
during the holidays. For others, it will represent a significant
addition to their savings accounts - not only increasing their total

assets, but further boosting the earning power of their savings.

If you are not a member of this farsighted group of thrifty
people - all you have to do is join them in starting your own
savings account at Joliet Federal. Then - next June 30, you'll
receive *your* share of the semi-annual dividend - (then go ahead
and do a little jumpin' for joy, too!)

Home For Holidays After 3-Year Trip Around World

Telephone: 479-3521
Miss Lucille A. Vostry, who arrived Christmas day, is staying two weeks with her parents, Mr. and Mrs. Charles Vostry of 193rd and Wolf road. She will then return to New York city to return to freelance modeling and dancing.

Miss Vostry visited Holland, Germany, Belgium, Luxembourg, France, Spain, Austria, Switzerland, Norway, Sweden, Finland, Denmark, Greece, and spent the winter of 1962 in Italy.

She had the opportunity to compare capitalism to communism by visiting Poland,

LUCILLE VOSTRY

Yugoslavia, Hungary, Bulgaria and her ancestral home, Czechoslovakia.

She continued to the Middle East to Turkey and Syria, during the hot war, when they had a curfew to be off the streets at a certain hour.

It was a common sight to see armed tanks or machine gun carrying soldiers walking the streets on patrol. This was most common in Syria.

When the borders were re-opened she continued to Beirut, Lebanon, which is the New York of the Middle East. Then on to Cyprus, before the war started between the Turks and the Greeks.

Some time was also spent in Africa. She was photographed with her Arabic friends in Farouk's palace. She was also the guest of the Egyptian government and given a private tour of the now opened Aswan dam. It was one of the more spectacular sights of the trip.

After having seen the progress being made in the new country of Israel, the next stop was Iraq, after the governmental revolution. On to Iran, via the desert route.

The worst poverty on the trip was witnessed in India. On to Burma, Bangkok and then to Singapore, at the same time that Malaysia was formed. The trip to Jakarta was cancelled, as the relations of the New Malaysia and Indonesia were severed, which meant the end of all transportation to and from Indonesia.

She flew to Hong Kong, which is a very well run and very attractive country. The winter of 1963 was spent in Manila, Philippines.

In the spring of 1964 she spent seven months living in a Japanese style apartment, but working in western style night clubs.

Miss Vostry has expressed the preference for the old Japan with the old court dances and the Japanese plays of Kabuki, which is based on symbolism more than realism.

The summer of 1964 was spent in taking a course on Japanese arts and sciences at Sophia university in Tokyo, where she received a diploma.

She is a graduate of Lincoln-Way high school.

The entire three years was spent traveling alone, and was conducted entirely on her own funds.

She intends to spend some time in New York, and then to proceed on another trip, covering South America.

MR. AND MRS. PAUL HEMPFLING, SR.

Arbury Hills Couple To Observe Silver Wedding

An open house will be held at the home of Mr. and Mrs. Paul Hempfling, Sr., 19326 Beechnut dr., Arbury Hills Sunday, Jan. 3 from 1 to 5 p.m. The celebration is the 25th wedding anniversary of

the couple.

Assisting will be their son and daughter - in-law, Mr. and Mrs. Paul Hempfling Jr. and their daughter, Linda.

All friends are invited to attend.

Will Honor Three As Outstanding Citizens

Three of Mokena's residents are to be honored as outstanding citizens of the community by the Chamber of Commerce at its third annual awards banquet Jan. 23 at Camp Manitou, Sauk Trail, east of Frankfort.

The banquet is scheduled to begin at 7 o'clock.

Two men and a woman are to be honored this year: Robert O. Geuther, a member of the village zoning board of appeals, a former president of the Mokena school board, and active in the affairs of Immanuel Lutheran church.

The Rev. Fr. Cecil Koop, O.F.M., pastor of St. Mary and St. Anthony (Lincoln Estates) Catholic churches,

who, besides the biretta, wears several hats, including fund raiser, builder, planner, good neighbor and bus driver for the parish school.

Mrs. Florence Pitman, a community leader, club woman, writer and former correspondent for this and other papers. Her writings include a history of Mokena that has been published and is in circulation.

Tickets for the dinner will be available at the Mokena pharmacy and from members of the Chamber of Commerce. The price is \$4 each.

Mayor Charles Swanberg is chairman of the committee in charge and will also serve as master of ceremonies.

St. Anthony Parishioners Renovate Church Interior

The St. Anthony club of Lincoln Estates, recently organized, is to hold its first meeting next Monday night, Jan. 4 at St. Anthony church on U.S. 30.

While the club is still to hold its first formal meeting the members have been anything but idle. Renovation of the church interior is one of the objectives of the club; it is also a project for many of the members and the work is already well underway, it was reported.

The new altar, from which the priest will face the congregation, has been erected and paneling is being added to the walls.

There are 60 members in the club, which represents

the adult membership of the parish.

The church is of concrete block construction. The renovating program deals with the interior and the basement.

The Rev. Cecil Koop, O.F.M., is the pastor of St. Anthony as well as of St. Mary church of Mokena.

Award Prizes In Yule Contest At Frankfort

In the annual residential Christmas lighting contest held at Frankfort this year, two of the three award winners reside in Lincoln Estates. The competition was sponsored by the Frankfort Lions club.

First prize of \$15 went to Fred Zielinski, of Lincoln Estates and third prize, \$5, was awarded to Ernest Taylor, also Lincoln Estates. Second prize, \$10, went to Raymond Jadcak, of Lincoln Meadows.

There were many fine entries, the judges said, which made their task of selecting winners a difficult one.

Civitan Club To Sponsor Passion Play At Joliet

Joseph Bannon, president of the Joliet Civitan Civic club, has announced that the organization is sponsoring the original, authentic American version of the famed Passion Play, as performed in Oberammergau, Bavaria for 352 years, for presentation at the Joliet Township Central high school auditorium, Jan. 9, 10, 11 and 12.

This version of the Passion Play, first performed in 1634, has always been different from the Passion Play as given in other parts of the world. Permanent permission to produce the play was bestowed on the village in 1800. The oldest known script of the play was written in 1662. The present text used in Oberammergau was written in the years 1810-1815 by Peter Oltmar Weiss. The final revision was made by the good angel of the village, the beloved Father Alois Daisenberger.

For the transcontinental tour of the New World, the producers adapted the script into English. They also eliminated all of the tableaux and added additional scenes with a running time of two and a half hours, which is customary in the American theatre.

Val Balfour interpretes the part of Jesus of Nazareth in the original English version and supporting parts will be portrayed by a large

Bennetts To Open Tavern On Friday

Mr. and Mrs. George Bennett, Mokena st., have leased the tavern at Wolf and LaPorte roads, and beginning Friday, Jan. 1, will operate it as "Bennetts' Corner."

The property was leased from the owner, Joseph Williams. The tavern formerly was operated by Loyd Rowe.

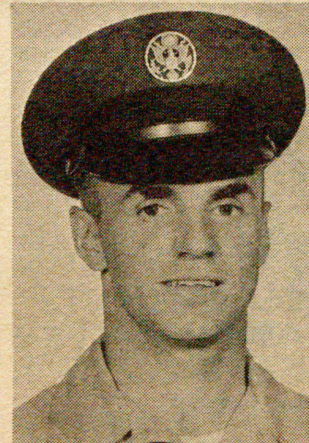

Later, the new operators said, meals will be available. However, free sandwiches will be served on New Year's Day.

hints for homeowners

RICHARD DeLANO, COOK COUNTY ASSISTANT ADVISER IN ORNAMENTAL HORTICULTURE

November is the month for making major changes in the landscape. It's the time for planting trees.

Large trees planted in November do especially well because they are completely dormant. Dormant trees are completely inactive; they are asleep and thus do not suffer from wilting or transplanting shock. So complete is the dormancy at this time of year that large specimens of several of the fast growing trees can be planted bare root. The use of bare root trees is an advantage to the homeowner because lacking a heavy ball of earth they are easy to move both in the nursery and at the homesite. They are also cheaper in price because the nurseryman doesn't have to use his heavy equipment to move such trees.

Trees that can be planted bare root at this time of year include Norway, Sugar and Silver maples. Additional attractive fast growing maples are the Schwedler and the Crimson King maples. While the Schwedler maple produces leaves that remain red throughout the spring, the leaves of the Crimson

King maple remain red all season long.

Another fast growing tree that's suitable for bare root planting is the American ash. It is best to plant this tree where it'll have plenty of room since mature specimens reach 120 feet.

The poplars are another group of trees that can be planted bare root at this time of year. However, they have

a tendency to split because of its weak wood. Thus, they are best for temporary plantings. An exception is the Bolleana poplar. Its narrow column-like growth suits it for permanent use as screening and in narrow areas near buildings.

If you wish to have shade in the shortest amount of time, consider the purchase of a larger sized tree. These larger trees that range in height from twelve to twenty-five feet are usually sold balled and burlaped. Although higher in price, because of the huge, difficult-to-move earth balls, they are well worth it. The large balls

insure the presence of enough roots to support these large trees until they can become established. Such large specimen trees, even though not installed now, can be selected and reserved in the nursery now. Then after the ground has frozen, the nurseryman can use the large equipment that is needed for planting without damage to the lawn.

MRS. EDWARD HOVI
 Telephone: 479-5740
 There will be the regular monthly meeting of the Arbury Hills Baseball League at the school Jan. 12, at 8 p.m.

A special dance committee meeting is scheduled to be held at the home of the chairman of the committee, Joseph Arcuri, Jan. 25, at 8 p.m. Time is beginning to draw near for the annual fund raising dance to be held at the V.F.W. Hall in Mokena. The dance is to be held Saturday night, Feb. 20. Anyone who has proceeds to turn in from the sale of the tickets can do so at the home of Joseph Mangan.

Jan. 27 at 8 p.m., there will be a combined meeting of the organization and the women's auxiliary at the school.

Green Garden

Homemakers Will Meet In Harold Scheer Home

MRS. KATHARINE HEISNER
 Telephone: 469-5187

Mrs. Harold Scheer will be the hostess for the Green Garden Homemakers Extension Unit when they meet at her home Friday, Jan. 8 at 1 p.m. "My Most Embarrassing Situation" will be the roll call and the major lesson "Physical Fitness Related to Health" will be given by the Will County home advisor, Marianne Carnahan.

The Rev. and Mrs. Thomas Hardwick held open house last Sunday afternoon in their home at the Green Garden Methodist church parsonage.

The Womens Guild of the St. John United Church of Christ of North Peotone will meet at the church Thursday, afternoon, Jan. 7. Mrs. Allen Toepper is the worship leader and Mrs. Donald Wilke, program chairman. The topic is "Growing Toward Christian Maturity."

Hostesses are Mrs. Orville Jures, Mrs. Wilbert Lauffer and Mrs. Glenn Nagel.

The Busy Homemakers Extension Unit are meeting at the home of Mrs. James Clark Wednesday afternoon, Jan. 6. Roll call will be taken with "My Most Embarrassing Situation". Marianne Carnahan, Will County home advisor, will give the major lesson, "Physical Fitness Related to Health."

Holiday Guests:

A 5 o'clock Christmas dinner was served by Mr. and Mrs. Harold Scheer in their home to the following guests: Mr. and Mrs. Elmer Batson, Mr. and Mrs. Milton Batson

Everyone is requested to come and bring a friend or a number of friends. Let us see if there can be a good showing. More people out to work means less for each one to do.

A nomination committee will be formed at this meeting for the up-coming elections. They will present a slate of candidates at an unspecified date in the near future.

There will be an auditing of the treasurers' books of both the organization and the women's auxiliary on Feb. 3. The books will be audited by the president, vice president, and treasurer.

The drive to collect enough books of S & H green stamps is beginning to move along better. There is still a

and family, Mr. and Mrs. Connard Haakinson and daughters, Mrs. Louisa Heisner, Mr. and Mrs. Orval Schroeder and Leanne, all of Frankfort.

great need for additional books. It will take many, many in order that the organization can purchase uniforms for all the boys in the baseball league. The three men who are collecting the books are Jordan Marzano, Richard Prather, and Joseph Mangan.

The Summit Hill Boy Scout troop will have their regular monthly newspaper collection Saturday, Jan. 9, instead of Jan. 2, because of the holiday.

Anyone who has newspapers, magazines, or cardboard to contribute is asked to bundle them in some way, shopping bags are an effective way, and have them placed either at the front door or at the garage door before 9:30 a.m. Do NOT put the papers at the curb, since they might then interfere with the garbage collection which also takes place on Saturday morning.

Cub Scout Pack 10 followed their evening of caroling Dec. 18, with a Christmas party. Santa Claus arrived to pass out the surprise gifts.

The Cub Scouts wish to give Santa a great big thank you for taking time out from his busy schedule to help out their party.

Dec. 19 saw a rousing party for over 250 youngsters from Arbury Hills given by the Arbury Hills Civic Association. The meetings may be small in the group, but the parties are LARGE.

There were games for all ages and singing of Christmas song, led by a patient Joseph Mangan.

Both hot and cold chocolate were served by many of the mothers who pitched in at the last moment, and mother-made cookies were also on hand for the hungry young ones.

Santa Claus, who had only overnight to recuperate from the Cub Scouts, came in to distribute a packet of treats to each of the boys and girls there.

Judging from the sound level and the large number of spilled chocolate, the party was a great success.

One more thank you is due to the girls from the Teens Club and to ever-patient Walter, the custodian of the school, for the numerous aids without which the party could not have gone on.

The Kindergarten joined the festive atmosphere with a Christmas party on the last day of the school before vacation. The youngsters had refreshments and exchanged gifts.

LEGAL COOK COUNTY DELINQUENT TAX LIST

OFFICE OF COUNTY
TREASURER OF COOK
COUNTY AND EX-
OFFICIO COUNTY
COLLECTOR OF COOK
COUNTY, ILLINOIS.

Advertisement and Notice
of Collector of Cook
County of Application for
Sale of Delinquent Lands
and Lots for General
Taxes for the year 1963,
and Notice of Sale There-
of and application for
judgment, fixing the cor-
rect amount of any tax
paid under protest and
for order for sale on such
payments, as provided by
law.

Dec. 31, 1964

NOTICE IS hereby given that the said Collector of Cook County will apply to the County Court of Cook County on the 11th day of January, A.D., 1965, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon, as noted in this advertisement, remain due and unpaid, for said taxes, interest and costs and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and orders for sale as may be noted in this advertisement).

Notice is also given that an application will be made for judgment fixing the correct amount of any tax paid under protest.

Notice is further herein and hereby given that on the second Monday next succeeding the 11th day of Jan., A.D., 1965, to-wit, the 25th day of Jan., A.D., 1965, at the hour of 8 o'clock A.M. all said lands and lots hereinbefore described for sale of which an order shall be made, or has been made and not executed as noted, will be exposed to public sale at the County Building of Cook County where the County Court is held in said County, for the amount of taxes, interest and costs due thereon respectively.

The following is a list of delinquent lands and lots upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the sum of the amounts appearing due in this advertisement.)

EXPLANATORY NOTE - In this list in all places where no other notation is made the figures in the column headed "\$" (meaning dollars) and the "cts" (meaning cents) represent the taxes due and unpaid for the year A.D., 1963. Where the letter "F" is placed to the left of the figures in this column it is intended for an abbreviation of the word "forfeiture," and denotes that the amounts set down to the right of the same are the amounts due and unpaid on said lands and lots for which said lands and lots have been previously forfeited to the State. When back taxes are extended they are indicated by the letters "B. T."

Payment of taxes made after printer's copies are sent to publishers for listing, and appear as delinquent in this advertisement, will be satisfied in judgment records before sale.

In lieu of legal description used heretofore each parcel of land or lot is designated by a permanent real estate index number.

In the permanent real estate index number system the area is designated by the number appearing in the column headed "A," the sub-area by the number in the column headed "SA," the block by the number appearing in the column headed "Blk," and the particular parcel by the number in the column headed "Pcl."

Comparison of the permanent real estate index number with the legal description of any parcel may be made by referring to the cross indices maintained in various County offices.

MRS. DELORES ANDERSON
Telephone: 485-3651

The Mothers March in the annual polio drive for New Lenox will be held Jan. 18 thru 25. Mrs. Robert Nelson is chairman of the drive this year, and co-chairmen are, Mrs. Arthur Rowsell, and Mrs. Paul Alexander.

Captains, to date, are: Mesdames, Kenneth Schofield, Jack Shonkwiler, Jonas Lashmet, Bruce Srout, Rollie Cagwin, Wendell Cooper, Donald Dunn, Larry Nordwall, Louis Radd, Jack Otis, Joseph Planick, and John Staehling.

In charge of the business places is Ronald Whitaker.

A complete list of workers will be published later.

Mrs. B. C. Stauffenberg, and son Stephen, and Mrs. Stuffenberg's mother, Mrs. Edith Noel of Elwood, have returned home from New Orleans, La. where they enjoyed a 10-day vacation. The trip was a combined bonus trip and judging at the National 4-H Contest, in which 363 members participated. Stephen, who was a member of the team that won state competition came out in the top 40 at the national contest, and as a result of the trip, he was selected by the directors of the association to be the new Junior Leader for the State of Illinois of the National Junior Horticultural Association.

Steve is president of the Jackson Champion 4-H Club.

Recent baptisms at St. Jude Catholic church were: Cynthia Kay Kestel, daughter of Mr. and Mrs. Fred Kestel; Dawn Marie Gonda, daughter of Mr. and Mrs. Edward Gonda; and Tracy Rance Sefcik, daughter of Mr. and Mrs. Thomas Sefcik.

Holiday Geasts: Mr. and Mrs. E. L. Walsh, Elm st. had as their guests for a Christmas Day dinner at four o'clock, Mr. and Mrs. Wilbur Walsh and Allen, Mr. and Mrs. Roy Minger and Skip and John of New Lenox, and Mrs. Walter Bettenhausen and Mrs. Albert Minger of Frankfort.

Mr. and Mrs. Joseph Hartung and Pamela had as their guests for a family holiday dinner Christmas day, Mrs. Bertha Neiland, Mr. and Mrs. Burnett Schram and family, Arthur Boat of Frankfort; PFC Allen Schram who is home on leave from Fort Polk, La., Arlan Schram and Miss Jill Knowles.

Mr. and Mrs. Len Warning and sons, with her mother, Mrs. William Wischover enjoyed a holiday dinner at the home of her sister, Mr. and Mrs. Lloyd Bettenhausen

and son at Peotone.

Tuesday, Jan. 5 there will be a planning meeting of the board of the Parents club of St. Jude at 7:30 p.m. in the school library.

There will be a fish fry from 5-8 p.m. Friday, Jan. 8 at St. Jude school hall. Mrs. Pat Stockley is carry-out chairman, Mrs. Ruth Reiter, kitchen chairman; Mrs. Anita Handorf, dining room chairman, and Mrs. Dolores Wysock, bakery chairman.

Dr. Theodore Z. Polley of Joliet will be the guest speaker at the meeting Thursday night, Jan. 7, of the Parents Club in St. Jude school hall. The meeting will start at 8 p.m., and Dr. Polley will talk on "Heart Disease in Children and Their Parents." The faculty will be in their rooms from 7-8 to talk to the parents.

COMING JANUARY 6... NEW COMMUTER CARS

The first of Rock Island's new streamlined, double-decked, air-conditioned commuter cars will go into service on January 6.

These stainless steel beauties have tinted safety glass in the large windows. Seats are padded with foam rubber. There's plenty of rack space for parcels and wraps. Pastel colors provide a restful atmosphere. Large center doors permit fast, safe entrance and exit. Seating capacity is 160 passengers. We know you'll like them.

NOTE:

Two of the new cars will be displayed at LaSalle Station on Tuesday, January 5, from 7 a.m. to 6 p.m.

Cub Pack Has Annual Yule Party At School

MRS. EMIL WILLE
Telephone: 469-5277

Cub Scout Pack 237 held its meeting and Christmas party Friday evening, Dec. 18 at the Ann Rutledge school.

A welcome to Tom and Tim Kruse who transferred from the Mokena pack. They are now members of Den 5.

Awards went to: Tim Kruse, bobcat pin; David and Kenneth Bidne, wolf badges; Charles McNeeley, gold arrow in the wolf rank; Shane Gericke, silver arrow in the wolf rank; Bob Harmon, silver arrow in the lion rank. Bob is now 11 and qualified to join the Boy Scouts. He received the Cub Scout graduation certificate.

After the awards, scouts and visitors sang songs, led by Ralph Bidne. Games were also played.

The Cub Scouts presented their parents with Christmas gifts which they had made. The boys also trimmed a Christmas tree.

Wednesday, Dec. 30 the scouts will take a trip to see a plastics laminating factory. All boys will be in uniform and will meet at the Jerry Kovar home at 8:45 a.m.

A "welcome back" to Cubmaster, Charles Scheeler, after his stay in the hospital.

After the meeting refreshments were served by the den mothers. As the children left they each received a bag of goodies for Christmas.

Mrs. Charles Scheeler and Miss Cheryl Wilson entertained at a surprise birthday party in honor of the latter's mother, Mrs. Paul Wilson. The party was held in the Wilson home.

Guests were: Mrs. Jim Gillette and Mrs. Wilbur Buske of Mokena, Mrs. Chester Biela of Tinley Park, Mrs. Don Schofield, Mrs. Glenn Coburn and Mrs. Angelo Aprile of Lincoln Estates.

Refreshments of cake, ice

cream, punch and coffee were served. Mrs. Wilson received many lovely gifts.

The Lincoln Estates Brownies held their meeting and Christmas party Thursday, Dec. 17 at the

home of Mrs. Lee Gericke. The girls made Christmas tree ornaments to take home.

All who have attended four troop meetings will be invested Thursday, Dec. 31 at the regular meeting. Pam McNeeley was welcomed as a new member. Mrs. McNeeley is also registered as

a committeewoman.

The Brownies expect to receive their troop number in the near future.

Refreshments were served and the girls sang Christmas carols. Each girl received a gift from their leaders.

Mrs. Gericke states that

an assistant leader is needed to start a junior girl scout troop. Anyone interested can

contact her at 469-5311 for more information.
